**Piezo-electric Sounder PB Series EOL Notice**

Thank you for your support for PB series products all along. Best regrads for your prosperity .

It has been 30 years since TDK PB series products began the production.

As the model of parts get aged, the parts can't be supplied any longer, we decided to make an end of it. Sorry to trouble you.

Please kindly know the EOL plan as below and thank you for your understanding and support.

Best regards!
