

# Soberton Inc.

3/10/2016

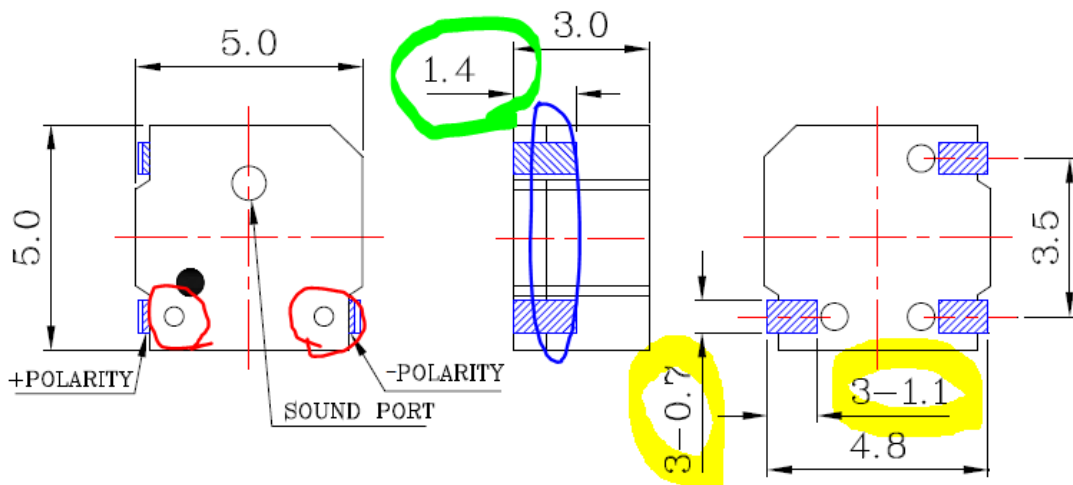

Soberton Inc. has changed certain product specifications pertaining to part no. ST-0503 . These changes are highlighted below

Part number	ST-0503 Old	ST-0503 New
Terminal Height	1.4mm	1.2mm
Terminal Length	1.1mm	1.5mm
Sound Output	78dBA	80dBA
Current Consumption	100mA	110mA

Please see the new data sheet for full product specifications.

IMPROVEMENT1. To increase the terminal length ( 1.1mm == > 1.5mm ) width ( 0.7mm == > 0.8mm )  
 (Yellow): help soldering2. To reduce the terminal height ( 1.4 == > 1.2mm ) (Green):  
 away from the bonding line to reduce the flux penetration to buzzer from the gap3. To  
 reduce the flux penetration to buzzer from the gap3. To enhance bonding line (Blue):  
 to reduce the flux penetration to buzzer4. To delete two holes (Red): false  
 hole decorative hole, no function
